A TRIBUTE TO REVEREND LEON SULLIVAN

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from North Carolina (Mrs. CLAYTON) is recognized for 5 minutes.

Mrs. CLAYTON. Mr. Speaker, this morning, I received some very disturbing news about the passing of the Reverend Leon Sullivan, founder and Chairman of OIC International.

Reverend Sullivan was a genuine example of civility and social commitment. He was a leader of human rights, and a true humanitarian. He is best known for his advocacy toward obtaining justice to end Apartheid in South Africa. This feat gained him the respect of all of us.

Through his steadfastness and determination, Reverend Sullivan enlightened history and impacted the world with his grace. He came to this earth with a bright inner glow and a spirit filled with light. Reverend Sullivan had a powerful soul and a judicious conscience. His desire to make a difference in the lives of others will be preserved now in our many memories of him. He was a true example of a public servant, and it was through his vision that many people became familiar with his love for hope and compassion for the welfare of people in underserved nations.

Reverend Sullivan was credited by President Clinton with The Eleanor Roosevelt Human Rights Award, and was the author of the "Sullivan Principles" which will serve as part of his stellar legacy. I have no doubt that the Reverend will continue to work for the benefit of humanity from his eternal state. His faith in humanity brought inspiration to our society. As a poet once said "Do not weep because they are gone, smile because they lived". Today we honor Reverend Sullivan with our everlasting gratitude and admiration. For those who have lived and not just existed, we must remember to carry on their messages. Reverend Sullivan's words will linger beyond existence, for time does not abandon immortals.

CONGRATULATING HAWAII'S 2ND DISTRICT PRUDENTIAL SPIRIT OF COMMUNITY AWARD WINNERS

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Hawaii (Mrs. MINK) is recognized for 5 minutes.

Mrs. MINK of Hawaii. Mr. Speaker, I wish to congratulate four remarkable young women from Hawaii: Lauren Noelani Calhoun, age 16, of Kapaa on the island of Kauai; Celinda Stanton, age 11, of Waimanalo on the island of Oahu; Tessa Munekeyo of Wailuku on the island of Maui, and Kaulani Ostrem of Kaawa on the island of Oahu.

Lauren and Celinda are Hawaii's top two youth volunteers for the year 2001 in the Prudential Spirit of Community Awards, a nationwide program honoring young people for outstanding acts of volunteerism. They have each been awarded an engraved silver medallion, a \$1,000 award, and a trip to Washington, DC for the program's national recognition event. Hawaii's Distinguished Finalists—Tessa and Kaulani—have been awarded engraved bronze medallions.

Lauren Noelani Calhoun, a junior at Kauai High School, led an effort to establish a homework and learning center for children at a local family abuse shelter. As a volunteer at the shelter, Lauren was disturbed by its often hectic conditions and wondered how the children who stayed there managed to do their schoolwork. She approached the shelter's director with a plan to convert a storage area into a quiet room for the kids to do their homework. After the plan was approved by the director and the shelter's board, Lauren contacted businesses and organizations for donations.

She surpassed her goal and raised over \$1,500 in addition to many in-kind donations. Lauren purchased furniture, a computer, a printer, software, books, and two sets of encyclopedias for the homework center.

Celinda Stanton, a sixth-grader at St. Andrews, brightened the lives of elderly residents of a long-term care facility by teaching them new skills and providing them with recreational activities. After visiting the facility, where her mother works, Celinda noticed that the residents seemed to enjoy the presence of a young girl and realized she could make a difference in their lives. During her volunteer time at the facility, she entertains the seniors by performing Japanese and Hawaiian dances and helps them play games. She also has taught an 80-year-old woman how to use a computer and regularly assists the staff with recreational activities and filing.

Tessa Munekeyo, age 16, a student at Baldwin High School on the island of Maui assisted in conducting interviews with tsunami survivors as part of a museum educational project.

Kaulani Ostrem, age 17, a senior at Kahuku High School, co-chaired an effort in her community to reduce the number of deaths and accidents on the roadways in her community.

I look forward to having the opportunity to meet Lauren and Celinda and to welcome them to Washington when they come to the Capitol in May. Lauren, Celina, Tessa, and Kaulani exemplify the very best of our youth, of Hawaii, and of our nation.

REFORMS NEEDED IN HEALTH CARE SYSTEM

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Rhode Island (Mr. LANGEVIN) is recognized for 5 minutes.

Mr. LANGEVIN. Mr. Speaker, today I have organized my freshman Democratic colleagues to speak out on an issue of great importance to our country, that is, on the issue of health care. I understand that the gentleman from New York (Mr. ISRAEL) has already spoken, and I thank my colleague for his participation.

Mr. Speaker, many of us were elected in large part because we vowed to reform our health care system, to make quality medical care and prescription drugs affordable for all Americans.

Today nearly 44 million Americans under the age of 65, 11 million of whom are children, do not have health insurance.

In the State of Rhode Island, my home, 1 out of 10 people lack health insurance. As we all know, health insurance is critical to obtaining necessary, affordable care. Those without insurance often pay two, even three times more for medical care than an insured person pays for that very same service. The uninsured are hospitalized at least 50 percent more often than the insured for avoidable conditions. They are also more likely to be diagnosed with later-stage cancer than those with insurance. Even newborn infants born to uninsured mothers have a 31 percent greater risk for adverse health outcomes. This inequity in access to medical care reflects the unfair disparity
